The Pity of War by Niall Ferguson

This revisionist work of history by popular historian and lecturer Niall Ferguson suggests that the outbreak of World War One was the fault of England rather than Germany.

Stacks – D511.F28 1999

The First World War: A Complete History by Martin
Gilbert

This single volume general history of the First World War is the work of acclaimed historian and Churchill biographer Martin Gilbert. Highly recommended.

Stacks – D521.G57 1994

Promise of Greatness: The War of 1914-1918 by
George Andrew Panichas

Written for the fiftieth anniversary of World War One, this collection is a haunting look back at a war that was seen in retrospect to be utterly futile.

Stacks – D509.P26

The World War I Reader by Michael S. Neiberg

This work is a collection of primary source documents by a leading historian of the First World War.

Reference – D509.W85 2007

A World Undone: The Story of the Great War,
1914-1918 by G.J. Meyer

This account of World War One looks at how the war reduced Europe and several of its empires to complete rubble.

Stacks – D521.M56 2006

The First World War by Hew Strachan

This historical work argues that the modern world was created and is still affected by the events of the First World War, especially in places such as the Middle East and the Balkans.

Stacks – D521.S86 2001 V.1

The Guns of August by Barbara Tuchman

This extremely popular book on the origin and outbreak of World War One is a winner of the Pulitzer Prize and has remained continuously in print since 1962. In it Barbara Tuchman argues that more than anything WWI marked the end of the 19th century. Highly recommended.

The First World War: A Concise Global History by
William Kelleher Storey

This book looks at World War One from a global perspective rather than the traditional focus on the battlefield in France and Belgium.

eBook; Available via Search in CUNY+

1917 Beyond the Western Front by I.F.W. Beckett

This book is an analysis of the events of 1917 which marked a massive turning point in the conflict for all sides involved. From American entry into the war to the Russian exit from the war, 1917 was a year that changed everything.

eBook; Available via Search in CUNY+

Fighting the Great War: a Global History by Michael S.
Neiberg

This book by leading World War One historian Michael Neiberg looks at the war from a different angle than usual, focusing on soldiers and the weapons they used to fight.

eBook; Available via Search in CUNY+

The First World War by Ian Cawood

This book looks at the war from different angles including recruitment and propaganda, women's involvement, and the links between the war and the revolutions in Russia and Germany.

eBook; Available via Search in CUNY+

The First World War was a bloody conflict that destroyed empires and helped to set the stage for the world as it is today. 2014 marks the 100th anniversary of the start of this war, once called “The War to End All Wars”. This brochure lists some examples of excellent books about World War One available at the library!

World War One U.S. Army Recruiting Poster
By James Montgomery Flagg (1917)
